

National 3R Award

Application Form 2018

1. Introduction

The Ministry of Environment and Energy's 3R Awards acknowledge and celebrate outstanding achievements of the Maldivian Tourism Sector that contribute to the commitments made in 2015 towards the Male' 3R declaration "*Resorts in Maldives for the Promotion of 3Rs and Resource Efficiency Towards Protection of Local Environment and Marine Ecosystem*"

The 3R award will be given every year to the tourist resort/s which score most under the judging criteria, each judging criteria has its own scoring system which is stated in detail in the 3R award criteria document 2018.

2. Judging Criteria

The judging criteria includes:

- I. System overview
- II. System design and planning
- III. Equipment and technologies
- IV. Performance, economics and cost effectiveness
- V. Educational and occupational health and safety
- VI. Environmental benefits and regulatory compliance

3R award will be awarded in the ceremony held on the National 3R Day, 16th August 2018 to celebrate the National 3R day.

The judges' decision is final and not subject to appeal.

3. Key dates

Nominations open	30 May 2018 (Wednesday)
Nominations close	15 July 2018 (Sunday), 13.00 hrs
Winners announced	16 August 2018 (Thursday)

Aishath Rashfa
Assistant Director
Waste Management and Pollution Control Department
Ministry of Environment and Energy
waste@environment.gov.mv
+960 3018368

4. Submitting a nomination

To allow the judges to evaluate your achievements you must:

- Complete the application form
- Address the assessment criteria.

***You can nominate your own organisation.**

Application forms can be submitted at saafuraajje@environment.gov.mv or the reception of Ministry of Environment and Energy

Address: Green Building, Han'dhuvaree Hin'gun, Male', Maldives

Nominations close at **13:00 on Sunday, 15th July 2018.**

Important information

- Read the 3R Award Criteria Document- 2018 for Tourist Resorts. Document available for download at the Ministry of Environment and Energy Website. www.environment.gov.mv

- The nominated achievement must address 3R practices and its effect on the waste stream as its primary focus. Nominees should not focus on green practices regarding waste water or electricity or other green practices currently being used by the Nominated Tourist Resort not related to waste management.

- *Documentary evidence*

Where possible, include media clippings and other material to support your nomination.

- *Photos and images*

Where possible, include photos and images to support your application

- *Naming support documents*

Please clearly identify the nominee, project and nature of the supporting document in its filename. For example, **ADh Bodufulahdhoo Phasing out single use plastic bag-newspaper article.pdf**

- *Substantiation of claims*

Judges may visit nominees or their premises to verify the claims made in nominations and/or commission independent assessments. Unsubstantiated claims will render a nomination ineligible.

- *Use of materials*

All documents, photos and images submitted with a nomination become the property of the Ministry of Environment and Energy and will not be returned to entrants.

By making a nomination, you agree that the Ministry of Environment and Energy has permission to use any photographs or images included with the nomination (at no cost) on behalf of all parties that have taken, written, or published the submitted documents and images as well as from those who appear in those photographs or images.

Nominees must be willing to participate in publicity activities related to Proper waste Management practices and promote 3R practices and allow information, including documents and images included with nominations, to be reproduced for promotional and awareness purposes.

Nominees may be asked to provide additional material for promotional and awareness purposes.
