2<sup>nd</sup> August 2023

Please find below answers for clarification for the above bid.

1. The TOR mentions that we have to create a digital book on "Protected Birds in the Maldives" with layout and designs completed. However, it does not mention the number of pages the digital book should be. Could you please confirm the number of pages as it is essential to determining the pricing.
  - Number of pages to be determined and proposed by the bidder.
  - Main objective is when the drawings are completed the book should include 207 birds along with their information and description.
  - The design and layout will be discussed with the Ministry to be approved after awarding the contract.
