Introduction and Background

The Government of the Republic of Maldives through the Ministry of Tourism and Environment (MTE) is implementing ‘Building Climate Resilient Safer Islands in the Maldives’ project financed by Green Climate Fund (GCF) and supervised and co-financed by Japan International Cooperation Agency (JICA) with the objective of strengthening the long-term and sustainable resilience of national land against climate change for enhancing economic development of the islands while maintaining the sustainable link between the residents and the beaches and implementing appropriate management of coral reefs, and coastal side and shore side areas with physical measures at the coastal areas through combination of soft and hard components.

The project will establish and realize the integrated coastal zone management (ICZM) and implement and maintain the coastal conservation measures with delivery of disaster warning/information. This will be achieved through the following four inter-related Project Components:

Component 1: Establishment of the Integrated Coastal Zone Management (ICZM)

Component 2: Implementation of Coastal Conservation/Protection Measures against Coastal Disasters

Component 3: Development of Disaster Warning and Information Dissemination

Component 4: Development of Basic Data Collection and Sharing System Related to Climate Change

Ministry of Tourism and Environment is the Executing Entity of Component 2 which is funded by GCF Proceeds and co-financing of the Government of the Republic of Maldives. JICA is implementing co-financing projects to conduct Component 1, 3,4, and a part of Component 2.

Ministry of Tourism and Environment has established Project Steering Committee (PSC) which is responsible for decision making on the policy, regular monitoring of the project progress, coordinating conflicts of interests among concerned agencies and providing advice on problems that arise during the project implementation, and the Project Management Unit (PMU) which is responsible for the day-to-day activity management of Component 2 and support administration of the Secretariat of PSC acted by the Ministry.
