## Section 5

### Details of services/materials/work required.

<b>Introduction and Background</b>
<p>The Government of the Republic of Maldives through the Ministry of Tourism and Environment, as the lead executing agency, is implementing ‘Conservation of AToll Ecosystems through an effectively managed NATional protected area Estate (CATENATE)’ project financed by Global Environment Facility (GEF) and International Union for the Conservation of Nature (IUCN) as the GEF Implementing Agency. The main objective of the project is ‘to safeguard nationally and globally significant coral reef biodiversity, and associated ecosystems through a resilient network of equitably and effectively managed protected and conserved areas in the Maldives’. The project focuses on the 15 protected areas (PAs) of Boduthiladhunmathi Atoll, with the focal project at Shaviyani Farukolhu Protected Area.</p> <p>The project focuses on three outcomes:</p> <p><b>Outcome 1</b> is aimed at improving PA network governance mechanism.</p> <p><b>Outcome 2</b> is aimed at improving a PA system’s financial management.</p> <p><b>Outcome 3</b> focuses on knowledge management and communications, essential for effective management of PAs.</p> <p>Additional information on the project and the relevant documents can be found at the following sources;</p> <p><a href="https://www.thegef.org/projects-operations/projects/10542">https://www.thegef.org/projects-operations/projects/10542</a></p> <p><a href="https://www.environment.gov.mv/v2/en/project/32420">https://www.environment.gov.mv/v2/en/project/32420</a></p>
<b>Objective</b>
<p>To develop a comprehensive Environmental and Social Management Plan (ESMP) and Gender Action Plan for CATENATE project. The ESMP is required to ensure that project activities comply with national environmental regulations and GEF Environmental and Social Safeguards standards. The ESMP will provide a framework for identifying, assessing, and managing environmental and social risks and impacts throughout the project lifecycle. The Gender Action Plan will expand on the gender analysis done during the project development.</p>
<b>Other Objectives</b>
<ul style="list-style-type: none"> <li>• Identify and assess potential environmental and social impacts of CATENATE Project activities</li> <li>• Establish mitigation measures to avoid, minimize, or compensate for adverse impacts</li> <li>• Enhance positive environmental and social outcomes</li> </ul>

- Ensure compliance with national laws and GEF Environmental and Social Standards
- Provide implementation arrangements and monitoring frameworks
- Establish stakeholder engagement protocols
- Define grievance redress mechanisms

### **Scope of Assignment**

The consultancy firm shall deploy a team consisting of two (2) specialists to deliver the following comprehensive scope:

Develop comprehensive ESMP based on the Environment and Social Management Framework of the Project with the following key components.

- Prepare Environmental and Social Impact Assessment by conducting baseline studies of environmental and social conditions in project areas, identifying and analyzing potential direct, indirect, and cumulative impacts, assessing impacts on biodiversity, marine ecosystems, coastal environments, and terrestrial habitats, evaluating impacts on local communities, vulnerable groups, cultural heritage, and livelihoods, and analyzing climate change implications and adaptation measures.
- Develop and implement a stakeholder engagement plan and conduct meaningful consultations with affected communities, civil society, government agencies, and other relevant stakeholders. Ensure participation of vulnerable groups including women, youth, and marginalized communities and document stakeholder feedback and incorporate inputs into the ESMP.
- Review national environmental laws, regulations, and policies and analyze GEF Environmental and Social Standards and requirements as well as applicable international conventions and agreements.
- Apply GEF Environmental and Social Safeguards (ESS) framework ( ESS 1 through ESS 10)
- Ensure alignment of ESMP with national climate adaptation plans and disaster risk frameworks and the National Biodiversity Strategy and Action Plan
- Assess institutional capacity for environmental and social management.
- Develop specific mitigation measures for identified impacts and design environmental and social management procedures.
- Establish monitoring and evaluation protocols including adaptive management mechanisms and develop emergency response procedures.

- Define institutional arrangements and responsibilities and establish implementation timeline and milestones.
- Determine resource requirements and budget allocations.
- Create reporting and communication mechanisms.
- Design accessible and culturally appropriate grievance procedures including establishing complaint reception, investigation, and resolution processes. Define roles and responsibilities for grievance management and ensure transparency and accountability in grievance handling.

#### Develop Gender Action Plan for the Project

- Review Gender analysis report of the Project
- Determine gender mainstreaming actions within project activities.
- Define how gender equality will be ensured within project activities
- Determine targets and indicators for verification
- Develop indicators and means of verification for monitoring and evaluation. Specific focus should be given to Gender Indicators (disaggregated baseline indicators by gender, age, etc) for improved impact tracking.
- Prepare Gender Action Plan for the Project

#### **Deliverables**

- Inception Report
- Work plan and methodology
- Preliminary stakeholder mapping
- Literature review and data collection strategy
- Timeline for deliverables
- Draft Environmental and Social Management Plan (including executive summary, project description and components, environmental and social baseline, impact assessment findings, mitigation and management measures, implementation arrangements, monitoring and evaluation framework, stakeholder engagement plan, grievance redress mechanism, budget

and timeline)
