Section 5

Details of services/materials/work required

Introduction and Background
Ministry of Tourism and Environment collaborated with the Climate and Clean Air Coalition (CCAC) for strengthening institutions and capacities for effective implementation and enforcement of Hakathari Program. The Hakathari Program contains requirements for importers and manufacturers of appliances on energy efficiency labels which will provide a simple and clear indication to the consumers about the energy saving potential of the product at the point of purchase. This is achieved via the Hakathari label affixed on the appliances that showcase a five-star rating system. A greater number of stars on the label indicate a higher level of energy efficiency and energy savings The purpose of the program is; • To help consumers make informed choice and save money on their household electricity bills • To encourage importers and manufacturers to promote energy efficient technologies and product in the Maldivian market, and drive out the inefficient products. • To reduce green gas emissions and progress towards achieving a cleaner environment and a sustainable future
