Ministry of Climate Change, Environment and Energy
Male', Republic of Maldives

Date: 30 April 2026

Announcement Reference No: (IUL)1139-HR/1139/2026/22

**Request for Expression of Interest
Monitoring and Safeguards Officer
for the project “Conservation of Atoll Ecosystems through an
Effectively Managed National Protected Area Estate
CATENATE”**

The Government of the Republic of Maldives through the Ministry of Climate Change, Environment and Energy as the lead Executing Agency, is implementing ‘Conservation of Atoll Ecosystems through an effectively managed NATional protected area Estate (CATENATE)’ project financed by the Global Environment Facility (GEF) and assisted by the International Union for Conservation of Nature (IUCN) as the GEF Implementing Agency. The main objective of the project is ‘to safeguard nationally and globally significant coral reef biodiversity, and associated ecosystems through a resilient network of equitably and effectively managed protected and conserved areas in the Maldives’. The project focuses on the 15 protected areas (PAs) of Boduthiladhunmathi Atoll, with the demonstration site at Shaviyani Farukolhu Protected Area.

The project has three outcomes:

Outcome 1 is aimed at improving PA network governance mechanism.

Outcome 2 is aimed at improving a PA system’s financial management.

Outcome 3 focuses on knowledge management and communications, essential for effective management of PAs.

The Ministry of Climate Change, Environment and Energy is seeking a Monitoring and Safeguards Officer for CATENATE Project and is inviting interested eligible individuals to submit their application.

The details of the Eligibility criteria, Scope of work, Remuneration and Duration of Assignment can be found in the attached TOR.

Submission Deadline

The expressions of interest must be submitted before 1200 hours (Maldivian time), 7 May 2026 to the email address jobs@environment.gov.mv. Only the applications with all the supporting documents will be accepted.
