Ministry of Climate Change, Environment and Energy
Male', Republic of Maldives

Date: 03 May 2026

Announcement Reference No: (IUL)1139-HR/1139/2026/23

Request for Expression of Interest

Project Coordinator (individual) for the “Institutional strengthening and capacity building for the sound management of chemicals and wastes in the Maldives” project

The Government of the Republic of Maldives, through the Ministry of Climate Change, Environment and Energy, is implementing the 'Institutional Strengthening and Capacity Building for the Sound Management of Chemicals' project. This initiative, funded by the UNEP Special Programme, aims to enhance the management of hazardous chemicals in the Maldives by strengthening the institutional capacity of the Chemicals Management Unit within the Environment Management and Conservation Department, as well as other relevant stakeholders. The project focuses on improving national capabilities for monitoring and controlling chemical management, raising awareness, and enhancing coordination among stakeholders for continuous dialogue on chemicals management. These efforts aim to facilitate the enforcement of existing laws, regulations, policies, guidelines, and standards to promote the sound management of chemicals at national, local, and private levels.

The Special Programme forms part of UNEP’s sub-programme on chemicals and wastes, which supports countries in enhancing their institutional capacities to implement the Basel, Rotterdam, and Stockholm Conventions, the Minamata Convention, and the Global Framework on Chemicals. The Maldives has secured funding from the Special Programme Trust Fund to bolster its national efforts in the sound management of chemicals.

The Ministry invites interested eligible individuals to submit their application.

The details of the eligibility criteria, scope of work, remuneration and duration of assignment can be found in the attached TOR of this announcement.

Submission Deadline

The expressions of interest must be submitted before 1200 hours (Maldivian time), 10 May 2026 to the email address: jobs@environment.gov.mv. Only applications with all the supporting documents attached will be accepted.
