INVITATION FOR BIDS

Technical Expert for LCEI Project

The Ministry of Environment (ME) has received financial assistance from Global Environment Facility (GEF) administered by the United Nations Environment Programme (UN Environment) to reduce greenhouse gas (GHG) emissions through energy efficiency in the building sector under the project Strengthening Low Carbon Energy Island Strategies (LCEI) and intends to apply part of the proceeds of this grant to make eligible payments under the contract for the services of a Technical Expert - Building and Appliance Energy Efficiency.

The LCEI Project, is designed with a goal of market transformation for energy efficient technologies in buildings and the built environment in the Maldives; and promotion of energy efficiency investments in buildings. The project will not only target energy efficient technologies, but will also promote emerging low carbon energy technologies for the building sector.
