Ministry of Environment Male', Republic of Maldives.

Date: 27th October 2020

Announcement No: (IUL)438-CCD/438/2020/186

INVITATION FOR BIDS

<u>Review and Amend Design of Green Office Building to attain BREEAM Certification</u> (First Announcement)

The Ministry of Environment (ME) has received financial assistance from Global Environment Facility (GEF) administered by the United Nations Environment Programme (UN Environment) to reduce greenhouse gas (GHG) emissions through energy efficiency in the building sector under the project Strengthening Low Carbon Energy Island Strategies (LCEI). The LCEI Project is designed with a goal of market transformation for energy efficient technologies in buildings and the built environment in the Maldives; and promotion of energy efficiency investments in buildings. The project will not only target energy efficient technologies, but will also promote emerging low carbon energy technologies for the building sector.

The LCEI Project intends to hire a consultancy firm to review and prepare changes in the design of the Green Office Building to attain BREEAM certification (New Construction for Office building). The detail terms of reference for the consultancy is available to download from the ministry's website (<u>http://www.environment.gov.mv</u>) and also can be directly downloaded from this announcement.

Bid Clarification

Any **clarifications** to the bid may be sent to below e-mail address before **0000hrs on 3rd November 2020.** Answers for the queries submitted prior to the deadline will be published on the Ministry's website (<u>www.environment.gov.mv</u>) on 5th November 2020.
