Questions received with reference to Announcement Number (IUL) 438-CCD/438/2019/100 dated 8th May 2019 for a Technical Expert for the LCEI project and their respective answers.

Question: The above call for technical expert is now being allowed under a company name. Therefore, is it allowed that, more than one expert affiliated with the Company can submit CVs to meet the expertise of this undertaking. The required expertise for this undertaking is very wide and it may be more efficient if a mix of experts do the work, with one lead expert.

Answer: The Technical Expert is required to provide technical strategic guidance and quality assurance to effectively implement key technical activities of the project, a single individual is preferred for the post.
