Questions received with reference Announcement Number (IUL)438-
CCD/438/2020/19 dated 9th December 2020 for Development of a Public Awareness
Campaign on Energy Efficiency Standards and Labelling Program in the Maldives

Please find below answers for clarification for the above bid.

- 1. The TOR mentions that the selected party has to produce video reports and video clips / video spots. Are the video materials to be delivered with or without using models and if they are required, will the Ministry arrange the models or is it required from the selected party to make the arrangements for the production of the videos?**

A. The use of models depend on the marketing strategy, plan and material formulated by the selected firm and is not a predetermined requirement by the Ministry. Should use of models be required, the arrangements must be made by the selected firm.
