Re-advertisement for Expression of Interest

Advertisement (IUL)438-HRU/438/2021/233 dated 25th August 2021 is cancelled and re-advertised due to having received no applications

National Technical Coordinator (individual) for “Integrated, Sustainable and Low Emissions Transport in the Maldives”

The Ministry of Environment, Climate Change and Technology has received funding from the Global Environment Facility (GEF) towards implementing the project “**Integrated, Sustainable and Low Emissions Transport in the Maldives**”, and intends to apply part of the proceeds to recruit National Technical Coordinator who will be responsible for the overall management of the project, including the implementation of project activities and supervision over project staff, consultants and subcontractors.

The Ministry of Environment, Climate Change and Technology invites interested eligible individual consultants to submit their application via e-mail.

Eligibility Criteria

To be eligible for the position, the individual is expected to demonstrate the requirements as per the attached “Terms of Reference”.

Schedule for the Assignment

Duration of the assignment is 3 years for the commencement of the works with potential extension based on performance and need. The successful candidate is expected to commence the services in September 2021.

Remuneration

Successful individual will be paid an all-inclusive monthly fee of MVR 26,000.

Submission Deadline

The expressions of interest must be submitted to the address below in e-mail or in hard copy no later than 1200 hours on **23rd September 2021**. Submissions must state the job title, address in this advertisement, and the submission deadline of the advertisement. Documents to be submitted:
