## **INVITATION FOR BIDS**

### **Recruitment of Individual Mitigation Expert for Preparation for Technology Needs Assessment (TNA) under the United Nations Framework Convention on Climate Change**

Ministry of Environment, Climate Change and Technology (MEECT) in partnership with the UNEP-DTU is currently implementing a project titled, Preparation of Technology Needs Assessment (TNA) under United Nations Framework Convention on Climate Change (UNFCCC) for the Republic of Maldives.

The current Global TNA project, deriving from window (i) of the Strategic Program on Technology Transfer, is designed to support countries to carry out improved Technology Needs Assessments within the framework of the UNFCCC.

The purpose of the TNA project is to assist participant developing country Parties identify and analyse priority technology needs, which can form the basis for a portfolio of environmentally sound technology (EST) projects and programmes to facilitate the transfer of, and access to, the ESTs and know-how in the implementation of Article 4.5 of the UNFCCC Convention. Hence TNAs are central to the work of Parties to the Convention on technology transfer and present an opportunity to track an evolving need for new equipment, techniques, practical knowledge and skills, which are necessary to mitigate GHG emissions and/or reduce the vulnerability of sectors and livelihoods to the adverse impacts of climate change.

In this regard, MEECT is seeking an **Individual Mitigation Expert to conduct mitigation assessments** to assist the preparation of the TNA. The Ministry now invites sealed bids from eligible and qualified bidders for this project

The Terms of Reference of the consultancy is available on the Ministry of Environment website [www.environment.gov.mv](http://www.environment.gov.mv) for downloading. It is also attached with this advertisement..

### **Bid Validity and Bid Opening**

Bids shall be valid for a period of 90 calendar days from the date of bid opening and shall be submitted to the Ministry of Environment, Climate Change and Technology at the address given below, before 11:00 AM Maldivian Time on 23rd June 2021. Late bids will be rejected.

The bids will be opened at 11:00AM Maldivian Time on 23rd June 2021 in the presence of the bidders or their representatives, who wish to attend the bid opening.
